Welcome to the 89th Annual Saline Community Fair. Starting in 1935 was an idea where members, young and old, from the surrounding communities could come together to promote, educate, and celebrate agriculture as well as rural pastimes, here we are eighty nine years later and going strong.

I would like to thank the volunteers, exhibitors and sponsors for all the time and resources that continually make our community fair a success. Surrounding Community Sponsors has enabled the board to continue a wide range of activities and entertainment while keeping admission prices affordable. Saline Alumni and Senior Citizen days are offering certain daily discounts, season passes and even a MEGA pass offering carnival riders a three day reduced rate to enjoy all the rides.

So come out and take part in your favorite part of the fair, whether it's livestock shows, carnival rides, fair food, or track events it's sure to be a great time for everyone.

Thanks again & hope to see you there!

Dear Friends,

On behalf of the State of Michigan, I would like to welcome you all to the 2024 fair season. Our county fairs provide an excellent outlet for education, local charm, and fun!

Each year, county fairs across Michigan showcase the unique talents, skills, and dedication of our 4-H and FFA members. County fairs provide excellent opportunities for Michiganders to gather in celebration of our agricultural industry, highlighting modern agriculture processes, and honoring years of traditions.

I guarantee that the exhibits from our 4-H and FFA members will impress you and your family. As you gather with family and friends this fair season, I hope you enjoy the delicious fair foods and family-friendly fun that county fairs provide. I have no doubt that your local county fair will offer entertainment and education for the whole family.

I send my best wishes for a fun and educational fair season. Be sure to visit one of Michigan's local or county fairs this summer as part of your summer family vacation plans!

KATHLEEN ANGERER
ACTING DIRECTOR

Dear Friends,

On behalf of Michigan's fair industry, welcome to the 2024 county fair season!

Millions of people attend Michigan's county fairs each year. I'm confident fairgoers will continue to enjoy the sights, sounds and activities that have become an annual tradition for many of us.

Michigan's county fairs are an important part of our state's growing food and agriculture industry, helping to maintain a much-needed connection to rural traditions while highlighting modern agriculture practices. Our state's 85 local, county, and state fairs provide safe, family-friendly entertainment and celebrate the bounty of our agricultural harvest.

Fairgoers support the nearly 50,000 Michigan youth who participate in livestock and community arts exhibitions each year. Many local businesses and families also support the efforts of our young exhibitors' efforts through youth livestock auctions held at most of our county fairs. Many of our exhibitors use the auction proceeds to help fund their continued education.

Whether you are here as a sponsor, exhibitor, or a fairgoer, there are many family memories awaiting you. I wish you great adventures during the 2024 fair season.

Sincerely,

A handwritten signature in blue ink that reads "Kathleen A. Angerer".

IN MEMORIAM

The foundation of the Saline Fair rests on the volunteer spirit of countless area residents who have labored long and hard over the years to build an event enjoyed by all ages.

The Saline Fair that we know today is due in large part to the work performed by the men and women of earlier generations. Their vision, dedication, and willingness to work as one have helped the Saline Community Fair keep pace with the changes of today. In honor of those workers who have passed away over the years, we ask that you pay tribute to their memories as a way of expressing the community's gratitude for a job well done.

SALINE COMMUNITY FAIR ASSOCIATION

The Saline Community Fair was started in 1935 as an educational activity of the Saline Chapter of the Future Farmers of America. In October, 1944, the Saline Fair was reorganized and incorporated as a nonprofit corporation. The reorganization provided a structure for expanded community involvement and growth to recognize the skills, talents, recreation and interests of area residents by holding an annual fair.

The officers and board of directors are responsible for year-round business, but the success of the fair largely depends upon the numerous volunteers from the community.

CONSTITUTION

Article I - The organization is incorporated under the name of the "Saline Community Fair Association."

Article II - The purpose of the Saline Community Fair is to provide a formal structure dedicated to promote and recognize agriculture interests, skills and accomplishments of individuals of all ages in the Saline community and surrounding area.

Article III - The Saline Community Fair is to be controlled by the Board of Directors. The Board of Directors shall consist of at least twelve (12) members, including the officers, and inclusive of all interested community members. A new Board of Directors should be elected as the first order of business at the annual meeting as the last official act of the preceding Board.

Article IV - The annual and regular meetings shall occur as stated in the by-laws.

Article V - The officers shall consist of President, Vice President, Financial Secretary, Recording Secretary, Treasurer and they comprise the Executive Board.

Article VI - In case of dissolution of the Saline Community Fair, all financial and personal assets shall be donated to any Saline Community non-profit organization that promotes and recognizes agriculture, talents, interests, skills and accomplishments of individuals of all ages that is selected by the Board of Directors.

Article VIII - This constitution may be changed by:

A board member may submit the proposed change in writing to the president before a regular meeting.

The president shall read the proposed change to the Board of Directors at the next regular meeting.

The president shall appoint a committee of three to review the change and report to the next regular meeting for the first reading.

Upon written notification including the proposed change ten days prior to all board members, proposed change is to be voted on at the next regular or special meeting.

The change requires a $\frac{2}{3}$ majority of present board members to pass the resolution.

Article IX - In accordance with Section 209 (d) of Act No. 170 of the Public Acts of 1987, the Corporation shall assume all liability to any person other than the Corporation, its shareholders, or its members for all acts or omissions of a volunteer director occurring on or after January 1, 1988.

Article X - a. The Saline Community Fair Association is organized exclusively for charitable, educational, and scientific purposes, including, for such purposes, the making of distributions to organizations that qualify as exempt organizations under section 501 "C" (3) of the Internal Revenue Code, or corresponding section of any future federal tax code.

No part of the net earnings of The Saline Community Fair Association shall inure to the benefit of, or be distributable to its members, trustees, officers, other private persons, except that the organization shall be authorized and empowered to pay reasonable compensation for services rendered and to make payments and distributions in furtherance of the purposes set forth in the purpose clause hereof. No substantial part of the activities of the organization shall be the carrying on of propaganda or otherwise attempting to influence legislation, and the organization shall not participate in, or intervene in (including the publishing or distribution of statements) any political campaign on behalf of any candidate for public office. Notwithstanding any other provision of this document, the organization shall not carry on any other activities not permitted to be carried on (1) by an organization exempt from federal income tax under section 501 "c" (3) of the Internal Revenue Code, or corresponding section of any future federal tax code, or (b) by an organization, contributions to which are deductible under section 170 "c" (2) of the Internal Revenue Code or corresponding section of any future federal tax code.

THE NATIONAL SHOW RING CODE OF ETHICS

It is the intent of the livestock show management to provide each and every exhibitor an atmosphere of competitive spirit that promotes an educational experience, as well as honesty and integrity. As an exhibitor, you have spent countless hours caring for your live animal. Through this project, you have gained knowledge in animal husbandry that includes selection, genetics, nutrition, health, fitting, showing, economics, and marketing. Hopefully, you are also developing life skills such as, communication, leadership, cooperation, discipline, responsibility and financial management. By participating in this competitive event, you are putting your hard work and effort on display before judges who will evaluate your livestock at this show. Your skills and knowledge are also on display and evaluated by the general public.

It should give each and everyone of you the utmost satisfaction knowing that you are entering this event with a clear conscience that you did your best, and will walk away with more than you had coming into this competition. Experience is a valuable teacher. It allows each of you as exhibitors to gain knowledge and enables you to improve each time you participate in any type of function, whether it is livestock or non-livestock related. The Livestock Show Management strives to provide each participant an opportunity for a positive educational experience and the potential to enjoy competitive excellence. Remember that the choices you make today will determine what you will have, be and do in the tomorrows of your life.

The management of this livestock show expects each exhibitor to perform their own work and present an honest animal for competition to the best of their ability. There is no place for individuals that incorporate deception, dishonesty, cheating or sacrifice the humane treatment of the animals for the cost of winning at this show. Cheating defeats the purpose of the livestock show to teach animal husbandry and to improve the genetic pool. Those exhibitors who choose not to follow the rules and guidelines of the livestock show will not be allowed to participate.

Remember the creeds of 4-H and FFA organizations, as well as “**The National Show Ring Code of Ethics**”. You are a representative of over one million young people who are privileged to participate in fairs and livestock shows throughout the United States, and each of you need to uphold the integrity of the youth programs you represent. Above all, be honest with yourself and fellow livestock exhibitors.

Livestock Show Management expresses to each and everyone of you best wishes during our show. We hope the experience you gain will be positive, educational, challenge you to continue to improve your skills in animal husbandry, provide you with an understanding atmosphere of sportsmanship and help to promote honesty and integrity in everything you do.

Sincerely,
Saline Community Fair
